ART, EDUCATION AND ARTIST (A Value Added Course offered by the Faculty of Fine Arts)

Total Duration of course: 30 hours

Value Added courses aim to provide additional learner centric graded skill oriented technical training, with the primary objective of improving the employability skill of students. Art education and artist have provided a unique part in education which enables a person to shape his or her world with discernment, and to understand and appreciate the work of others. The benefits of an education in art, education and artist for the student at this developmental stage extend far beyond the competence in the subject itself and the ability to apply it through life. Art influences society by changing opinions, instilling values and translating experiences across space and time Art has always been an important part of Indian heritage and culture. A course in Art, Education and Artist is a certificate course that introduces the candidate to the basic forms of art and craft.
