

Guru Teg Bahadur Khalsa College of Education, Dasuya

LIFE IN YOGA

(A Value Added Course offered by the Yoga, Health and Physical Education)

Total duration of the course: 30 Hours

Value Added courses aim to provide additional learner centric graded skill oriented technical training, with the primary objective of improving the employability skill of students. Yoga is essentially a spiritual discipline based on an extremely subtle science which focuses on bringing harmony between mind and body. It's is an art and science of healthy living. It brings together physical and mental disciplines to achieve a peaceful body and mind. It helps in managing stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle and body tone. Yoga asana build strength flexibility and confidence. The term yoga is derived from the Sanskrit root "yuj" meaning of join or to yoke or unite the union of individual consciousness with that of the universal conscious.
