MESSAGE FROM MANAGEMENT

The motto of Guru Teg Bahadur Educational Trust, Dasuya is not to give only the best education, but more importantly to enable our students to exercise their knowledge with conscience, kindness, morality and dignity.

Over the years the college has achieved continuing success in serving the cause of teacher education. The college presents a happy blend of traditional and modern education where knowledge is imparted to the students so that they may occupy a better place in the modern competitive world and develop all round personalities retaining the beauty of mind as well as soul. It has made its mark in the academic and co-curricular fields. All this has been possible with the dedicated and strenuous efforts of the able managing committee and hardworking and experienced principal madam, staff, students with the whole hearted co-operation of the people of the area to whom we are highly grateful.

It gives us immense pleasure to bring forth the combined edition of our **Prospectus**, reflecting the infrastructure and faculty, **Campus Reporter** a photo case of the activities of the institution and magazine **"DISHA"** which is exclusively meant for whipping out the latent writings, talents of students and staff members which bears immense potentiality. We congratulate all the contributors and the editorial board for bringing out such a vibrant combined edition.

We look forward to work closely with our management team, all staff, parents and students to make GTB Khalsa College of Education Dasuya, one of the best teacher education institute.

MANAGEMENT COMMITTEE

Guru Teg Bahadur Educational Trust
Dasuya (Hsp.)

FROM THE PRINCIPAL'S DESK

Welcome to G.T.B. Khalsa College of Education, Dasuya. This institution of scholarly greatness and accomplishment was set up in 2005. It is among one of the best and permanently affiliated colleges of the Panjab University, Chandigarh. It has been delivering the services of training and educating the pupil teachers since its establishment. The attainment of excellence and delivering quality teachers is the pre-eminent objective and mission of the institution.

Each spending year the college system and execution go through reformative and dynamic changes. Every year, we present new measures that will get themselves instrumental in the all-encompassing advancement of B.Ed interns. Every year, endeavour to foster better relations with our peer group so that they can assist us with improving their significant ideas and remarks. We lay accentuation on criticism which is very essential to us since self-appraisal assists us with developing great.

We believe in competing with ourselves, setting a new standard every time and surpassing our own standards each time we make a new achievement. This pandemic is a once-in-a-100-years event and we have no memories of such transformational experiences. So, there is a big question what we do in such circumstances? I accept, we have two alternatives. We could stay restless, terrified and spread the fear or we could rise above, deal with one anxiety and the pillar of strength for others around us. The teacher will pick the alternative two, however difficult it will be. They will recall all the lessons of resilience and courage they taught the interns and see this is an opportunity to put practice their lessons. Activities published in 'Campus Reporter' and 'Disha' are sufficient to prove my claim that G.T.B. Khalsa College of Education is progressing at an exponential rate in this unprecedented time. So, I feel elated on the release of combined issue of Prospectus, Campus Reporter and college magazine Disha. These are a medium that surely will bridge the gap between norms of college, achievements and publicity. All credits and thanks the committed management, dedicated staff and their team work.

Yet, presently a period we are going through a strange worldwide condition today. All of us and the entire world are influenced by the Covid pandemic. At this time new standards are being opted by the institution. All of a sudden in every sphere of life, there are tremendous change happened that has affected the whole world. But honestly, entire faculty members and students are developing and cooperating with the new strategies of teaching and learning as well as with the lifestyles and environment. Our talented and ever-willing-to-work staff, both teaching and non-teaching, have been showing their care and concern for the students and institution.

Our college is the right place for all of you to grow as an asset to the nation. One of the important tools to achieve this is through interaction and one-to-one rapport. This open and interactive approach also helps in discovering and strengthening inherent talents in the students. Learning opportunities are planned, overhauled curriculum design, and an inconceivable virtual pedagogy and executed according to academic and leadership competencies can weather the storm to ensure that our students continue to learn and develop.

My best wishes to the new students entering G.T.B. Khalsa College of Education, Dasuya.

Dr. Varinder Kaur

Principal,
G.T.B. Khalsa College of Education (Hsp.)

CAMPUS REPORTER

From the

Editor-in-Chief's Desk...

Nurturing creativity and inspiring innovation are two of the key elements of a successful educational protocol and the Campus Reporter is the perfect amalgamation of both. I feel highly privileged to present you the new 2020-2021 issue of Campus Reporter. Campus Reporter is a collection of various activities of college life, which has captured the memorable moments of achievements of the previous year. This Campus Reporter gives a deep insight into the activities and achievements for all associated with G.T.B. Khalsa College of Education. Usually, we fail to appreciate the good deeds of many people and activities that happen around us as we are engaged in irrelevant talks and assumptions. It could all change if we just pause to think of what is our contribution to the society from which we have been gifted with this blessed life. The progress of the society, mainly depends on many people who are working behind the scenes, overtime around the clock planning things to the smallest.

The Campus Reporter paves the way for healthy emotional upliftment and inculcates high vibrations in the mind streams of all. It will be a medium to provide proper acknowledgment and respect all of these efforts and results. Through this Campus Reporter you all will recall your college time days. This edition of Campus Reporter will uplift your senses and inner zeal with profound energy.

With Best Wishes.

Dr. Ranju Bala
Editor-in-Chief
