

GURU TEG BAHADUR KHALSA INSTITUTION OF EDUCATION, DASUYA (HSP.)

RESEARCH PROMOTION SUPPORT AND INCENTIVE POLICY

PREAMBLE

The institution is committed to encourage a research culture among faculty and students, since fundamental, long-term research lays the groundwork for the future growth. The research policy of the institution is to realize the vision and mission of the institution and to find research fields of academic, practical, and social value in order to contribute to national development. It also intends to develop and enhance the scientific temperament and research aptitude of all learners. It also attempts to ensure that the institution research operations adhere to all applicable laws and guidelines established by the affiliated university and the U.G.C. as well as to accepted standards and guidelines for the morally and safely conducting research. A comprehensive framework for the research policy is provided by our research policy.

1. To ensure that all institution research efforts are properly coordinated and in line with the institution's vision, missions, and aspirations for national development.
2. To inspire faculty members to draft and submit research proposals to outside funding organizations.
3. Publishing in international and national publications as well as facilitating the presentation of research findings at conferences, workshops, and other academic gatherings.
4. To develop an ecosystem for innovations that includes an incubator and other programs for knowledge development and transfer.
5. To support research projects focused on the community and transfer the research findings for social and economic development of the community.

EXTENT AND APPLICABILITY

This rule will be followed by all institution researchers and all research-related activities. All permanent, probationary, and Adhoc personnel who are engaged in research, teaching, administration, and providing any type of support to the institution's fundamental functions are considered researchers, as are all enrolled students.
